Examples of Milano icon.

## Milano icon

**Make your Multimedia work harder!**

This innovative new system can be re-branded and have the moving content changed in minutes!

The Milano works well in retail applications, showrooms, tradeshow, airports etc etc. The Milano includes the screen and comes in 3 sizes as standard, a range of accessories are available.

The graphics surrounding the screen and the back can either be dye sublimated fabric or laminated paper print.

The Milano Icon is portable, set up in less than 10min and can be custom built to any size subject to your requirements.
