## Bowhead & Tear Drop Flying Banner Flags

Bowhead and Tear Drop flying banner flags are printed using Red Platinum fabric technology, which causes the graphic to bleed through the fabric, allowing it to be seen from both sides. Plus, their unique design and rotating aluminum pole allows them to withstand uncontrollable weather conditions, while still effectively delivering your message.

### Eye-Catching

Flying banner flags have a unique shape, perfect for drawing attention. This makes them ideal for storefronts, exhibits, and special events.

### Quick & Easy to Set-up

Simply slide the pole into the loop on the graphic then clip the graphic onto the pole.

### Indoor or Outdoor

With optional ground stakes and hard surface stands, Flying banner flags can be used both in- and outdoors.

### Accessories

Base plate round, Cross base, Ground screw, Ground stake, Tire base
